

Homestead Boys Lacrosse Club

2024 SPONSORSHIP OPPORTUNITIES

Homestead Boys Lacrosse Club is committed to the values of athletic and scholastic achievement and our goal of developing young men of character through sport and competition. We work to provide our student athletes with the best possible environment to progress individually and collectively towards their goals. Ultimately, our primary obligation is to our student athletes — the young men who have come together focused on improving their minds, bodies, and their futures.

We are a volunteer run organization. Corporate and individual sponsorships are a necessity to meet the financial requirements of the Club and to continue the development and operation of a quality boys lacrosse program.

Homestead Boys Lacrosse is a club sport, governed by the Indiana High School Lacrosse Association (IHSLA). We receive no funds or monetary support from Homestead High School. It is only through registration fees, fundraisers and community sponsorships that we're able to field teams that help boys from Homestead High School stay active, practice teamwork and learn a competitive, life-enriching sport.

Your sponsorship dollars will help to pay for coaching staff, stadium rentals, game officials and game equipment.

Your sponsorship is tax deductible. Homestead Boys Lacrosse is recognized as a 501c(3) nonprofit organization.
